UNP General Secretary
condemns LTTE suicide attack Godakapitiya in Akuressa

General Secretary Tissa
Attanayake today condemns the indiscriminate killing of at least 14 civilians and the wounding of more than 44 civilians with Minister Mahinda Wijesekara by suicide bombers believed to be members of the Liberation Tigers of Tamil Eelam (LTTE). "The LTTE must stop any direct or indiscriminate attacks on civilians. They are forbidden under international humanitarian law and are never acceptable," said General Secretary Tissa Attanayake, as the organization raised its concerns about the rising number of civilians being killed or injured as a result of deliberate attacks in Sri Lanka's increasing violence.

Also
he stated while expressing his condolence to the families of those many killed and wounded in the LTTE's latest carnage today. He also requested all the citizens to remain clam and to be provoked by this display of its unmitigated terror.
