We wish a peaceful, prosperous and happy Deepavali Festival- Tissa

Deepavali means one should pay attention to the well being of others as well, not only concerned about one's personal gains, says UNP General Secretary Tissa Attanayake . Issuing a message in connection with Deepavali festival today, he says that Deepavali signifies a special day of the year for the Hindus in their calendar. Conquering evil through purity is its objective....

This Festival is meant to defeat all kinds of injustices and unfairness prevailing in the communities. True meaning to human values is hoped through this Festival. It is unfortunate that this festival has come by at a time when humane kindness is at a low ebb.

We wish a peaceful, prosperous and happy Deepavali Festival to all Hindus in Sri Lanka and across the world.
