The United National Party vehemently
condemns the terrorist attack carried out on Sri Lankan cricket players in
Lahore in Pakistan today morning. Several players were injured in a terrorist
attack carried out on Sri Lankan Cricket team in Lahore in Pakistan today (3rd)
morning. Several Pakistani nationals too have been killed in the attack. We
vehemently condemn the cowardly attack carried out targeting the players of the
Sri Lankan cricket team.

This attack has proved how barbaric
terrorism is wherever in the world it operates. Terrorists never hesitate to
carry out such cowardly and dastardly attacks to fulfill their vile agendas.
There have been several such terrorist attacks carried out in the South Asian
region recently. Countries all over the world should pay their attention to
defeat such cowardly and dastardly acts. We totally reject linking sports with
political and other issues.

We express our displeasure on the
deplorable attack once again and wish early recovery to all players who were
injured. We expect that Pakistani authorities would carry out broad
investigations and reveal perpetrator responsible for this heinous crime
