UNP General Secretary  
condemns LTTE suicide attack Godakapitiya in Akuressa

General Secretary Tissa  
Attanayake today condemns the indiscriminate killing of at least 14 civilians  
and the wounding of more than 44 civilians with Minister Mahinda Wijesekara by  
suicide bombers believed to be members of the Liberation Tigers of Tamil Eelam  
(LTTE). "The LTTE must stop any direct or indiscriminate attacks on  
civilians. They are forbidden under international humanitarian law and are  
never acceptable," said General Secretary Tissa Attanayake, as the  
organization raised its concerns about the rising number of civilians being  
killed or injured as a result of deliberate attacks in Sri Lanka's increasing  
violence.

Also  
he stated while expressing his condolence to the families of those many killed  
and wounded in the LTTE's latest carnage today. He also requested all the  
citizens to remain clam and to be provoked by this display of its unmitigated  
terror.
